

Special offer: Upgrade to a new S-serie camera

Upgrade

Good, reliable product

Better, more modern product

Special offer: upgrade your X-camera to S-series and benefit threefold:

- Do you need a **much better light sensitivity**?
- Do you need up to **25% higher frame rates** at the same resolution?
- Do you need a **better color** image quality?
- Do you want to keep your cameras in state-of-the-art condition for the years to come?

If you agree with 1 or more of the above statements, an upgrade of your existing AOS highspeed camera to the newest S-series and benefit from these advantages:

4-5 higher light sensitivity	<ul style="list-style-type: none"> • Better, brighter images • Less additional light needed • Smaller aperture for a wider depth-of-field • Faster shutter speeds for less motion blur
Up to 25% faster frame rates at a given resolution	<ul style="list-style-type: none"> • 1250fps @ 800 x 600 pixels • (compared to 1000 fps with X-series)
Advanced AOS Imaging Studio SW	<ul style="list-style-type: none"> • Enhanced functionality • Enhanced image data management
Factory check + newest firmware	
3 month warranty	
No 'investment'	No 'purchase' but maintenance

Need more image memory? Get a camera PLUS a memory upgrade up to 10.4GB at the same time, and you benefit twice:

- NO labour costs for image memory upgrade (just material costs)
- Shipping / handling costs apply only once
